les deux cols

In 2017, our good friend Simon Tyrell, along with Gerard Maguire and Charles Derain founded Les Deux Cols and Atelier des Source. They set about creating, from scratch, a 10 hectare organically farmed estate in one of the coolest parts of the Southern Rhone Valley in France. Across eight separate vineyards, they make a range of wines that are lightly extracted, pure and fresh. And they are already regarded as being amongst the first rank in their Appellations.

So whilst we may not have Irish wine on the list, we have three brilliant Irish Winemakers.
